

Date: 2007 Oct 17
Subject: Health and Safety Policy

Carrier Lumber Ltd. is committed to providing safe workplaces and preventing occupational illness by:

- Promoting a positive attitude towards health and safety,
- Implementing and sustaining a health and safety program that meets or exceeds government regulations,
- Reducing risks of hazards to an acceptable level, and
- Conducting regular management reviews of the effectiveness and efficiency of the health and safety program, and making determinations for necessary courses of action.

All persons on Carrier Lumber Ltd. worksites including employers, supervisors, workers, contractors and visitors, are responsible to comply with the health and safety program elements.

A handwritten signature in black ink, appearing to read "W. Kordyban", is written over a solid horizontal line.

W. Kordyban, President
